GENERAL CAMPSITE CONDITIONS OF ADMISSION

Internal Regulations – Camping plots

General Conditions:

- 1°) **Conditions of admission:** To enter the campsite and stay, you must first be authorised to do so by the campsite management team, or his representative. His duty is to see that the campsite is well kept and that it runs smoothly, as well as making sure that these internal regulations are respected. Staying on the campsite implies that you accept and abide by the contents of the present internal regulations.
- 2°) **Legal formalities:** Any person wishing to stay at least one night on the campsite must, first of all, present an identity card, a passport or an international camping carnet to management or his representative and fulfil any police formalities that may be required. Unaccompanied minors are not admitted on the campsite.
- 3°) **Installations:** The vehicle, tent, caravan or any other equipment should be installed on the pitch authorised by management or his representative.
- 4°) **Reception:** During office hours you will find all the necessary information on the services provided by the campsite, possibilities of shopping, sports facilities, tourist attractions in the area, useful addresses, etc. Suggestions and constructive criticism can be deposited in the appropriate box which can be found at reception. These will only be taken into consideration if they are signed, dated, relate to recent events and are clear and explicit.
- 5°) **Fees/payment:** Fees are to be paid at reception. The price list is posted at the campsite entrance and at reception. Fees are paid in accordance with the number of nights or weeks spent on site. Should you wish to leave before reception opens and after gate of the campsite open, please pay the day before.
- 6°) **Noise and silence:** Campers are requested to avoid being noisy and having loud conversations which could disturb neighbouring campers. **Complete silence is required between 10 p.m. and 7 a.m.** Radios, cassettes, televisions etc., should be kept at the lowest possible volume. Dogs and other animals should be kept on the leash and should never be left unattended on the campsite; their owners should always be present, as they are totally responsible for them. Animals should comply with sanitary regulations in vigour.
- 7°) **Visitors:** After having been authorised to enter the premises by management team, visitors can have access to the campsite solely under the responsibility of the campers inviting them, between 8 a.m. and 10 p.m. They are free to use campsite facilities except swimming pool. On arrival they must go to reception and pay the visitors fees as per tariff sheet posted in reception and at the campsite entrance, if not, the fees will be on charge to the visited holidaymaker.
- 8°) **Traffic movement and parking of vehicles:** On the campsite, vehicles should be driven at a maximum speed of 10 km per hour. No vehicles are allowed to circulate between 10 p.m. and 7 a.m. Only vehicles belonging to people staying on the campsite are allowed on the campsite. It is strictly forbidden to park on neighbouring pitches and vehicles should not block any passageway.
- 9°) **Hygiene and Behaviour:** Each person should refrain from committing any act whatever that would cause prejudice to the cleanliness, hygiene and general aspect of the campsite. Clothes and dish washing must be done solely in the basins provided for that purpose inside sanitarians installations. Washing can be hung out to dry, discreetly without disturbing neighbours. Washing lines should never be tied to trees. Plants and floral decorations should be respected. It is absolutely forbidden to drive nails into trees or cut the branches. Any damage caused to vegetation or fences will have to be paid for by the person who caused such damage. The pitch occupied by the camper should be left as found upon arrival.
- 10°) **Security:** **A: Fire:** Open fires (wood, charcoal, etc) are strictly forbidden; gas cookers or strict lamps should be kept in perfect working order and never used in dangerous situations. Should a fire break out, inform reception immediately. Extinguishers should be used if need be. There is a first aid kit at reception.
B: Theft: Management is responsible for objects deposited at reception and is responsible for keeping check on the campsite in general; the camper is responsible for his personal belongings and should report any suspicious behaviour immediately to reception.
- 11°) **Games:** No violent games, or games which are liable to disturb neighbours, can be organised near the pitches. The T.V. lounge cannot be used for boisterous games. **Children are always the responsibility of their parents or legal guardian and should be under their surveillance at all times.**
- 12°) **Caravan Storage:** No caravans or any other material belong to campers can be left on site unoccupied, unless management has previously agreed. Prices for caravan storage are displayed in the office.
- 13°) **Notice Board:** These interior regulations are posted at the site entrance and at reception. A copy can be obtained on demand.
- 14°) **Violation of the Internal Regulations:** Should a visitor or holidaymaker disrupt the tranquillity of others, or not respect the present internal conditions, the management team, can orally, or in writing, if considered necessary, formally notify the person that he must stop any disturbing behaviour or immediately leave the campsite. In case of serious or repeated disruption, and the visitor or holidaymaker having been formally notified, any existing contract could be cancelled. In case of illegal behaviour the management team can call the police to have offenders evicted.

11/2006 edition

These internal regulations have been officially deposited with the local authorities
